

It seems you are requesting a 7-page summary of a very short copyright agreement form. This form is less than a page long and doesn't contain enough information to warrant a 7-page summary.

However, I can provide you with a detailed breakdown of the copyright agreement and explain the key elements, which is more appropriate than a 7-page summary:

Breakdown of the IARJSET Copyright Agreement

This copyright agreement outlines the terms under which authors can publish their work in the International Advanced Research Journal in Science, Engineering and Technology (IARJSET). Here's a section-by-section explanation:

1. Header Information:

* **Journal Title:** International Advanced Research Journal in Science, Engineering and Technology (IARJSET)

* **ISSN Numbers:**

* Online: 2393-8021

* Print: 2394-1588

* **Website:** <https://iarjset.com>

* **Document Type:** COPYRIGHT AGREEMENT

* **DOI Prefix:** 10.17148/IARJSET

This section establishes the journal's identity and provides essential information for referencing and accessing the publication.

****2. Purpose of the Agreement:****

The text "To publish your article, we need your agreement in written format. Please complete and sign the form and send it with the final version of your manuscript. It is required to obtain copyrights for papers published in the journal to index them to various repositories." clearly states the purpose of the document.

* **Written Consent:** The journal requires authors to formally agree to the terms of publication in writing.

* **Submission Requirement:** The signed agreement must be submitted alongside the final version of the manuscript.

* **Copyright and Indexing:** Obtaining copyright is necessary for the journal to include the article in various repositories and databases, making it accessible to a wider audience.

****3. Article and Author Information:****

* **Title of paper:** This section is where authors provide the title of their research article.

* **Name of Authors:** All authors contributing to the paper are listed here.

This section identifies the specific work being published and the individuals claiming authorship.

****4. Copyright Transfer:****

The core of the agreement lies in the following statement: "The undersigned hereby transfer all rights in and to the paper including without limitation all copyrights to the International Advanced Research Journal in Science, Engineering and Technology (IARJSET)."

* **Transfer of Rights:** Authors relinquish all rights associated with their paper, including copyright, to IARJSET upon signing. This means the journal holds the legal right to reproduce, distribute, display, and create derivative works based on the article.

5. Author Warranties and Representations:

* **Originality:** Authors guarantee that the submitted work is their own original creation.

* **Authorship:** The signing author(s) confirm they are the rightful creators of the work, except for properly cited and attributed external materials.

* **Authority:** Authors assure the journal that they have the legal right to enter into this agreement and transfer the copyright.

This section protects the journal from potential legal issues arising from plagiarism, copyright infringement, or unauthorized submissions.

6. Open Access Provision:

The statement "Authors have full rights to submit a copy of their Published papers to all open-access repositories. They can self-archive both their original and/or journal-published versions." is crucial for understanding the journal's stance on open access.

* **Self-Archiving Rights:** Authors retain the right to share their work freely in open-access repositories, both pre-prints (original versions) and post-prints (journal-formatted versions). This provision aligns with open access principles and allows for wider dissemination of research.

****7. Co-author Consent:****

"This agreement is to be signed by at least one of the authors who have obtained the assent of the co-author(s) where applicable."

* ****Joint Authorship:**** In cases of multiple authors, at least one author must sign the agreement on behalf of all contributors.

* ****Assent of Co-authors:**** The signing author confirms that all co-authors have agreed to the terms of the copyright transfer.

This ensures that all individuals involved in the creation of the work are aware of and consent to the publication agreement.

****8. Author Signature and Contact Information:****

* ****Your Name:**** The signing author provides their full name.

* ****Date:**** The date of signature is recorded.

* ****College/University/Company Name:**** The author's affiliation is noted.

* ****Email to:**** iarjset@gmail.com - The email address for submitting the signed agreement.

This section provides the journal with the necessary contact information and confirms the author's agreement to the terms outlined in the document.

Conclusion

This copyright agreement, while concise, clearly outlines the terms of publication in IARJSET. It

ensures the journal's right to publish and distribute the work while granting authors the freedom to share their research in open access repositories. The agreement emphasizes originality, authorship accountability, and the need for consent from all contributing authors.
